Counter Cards!

Place your marketing message at eye level by using Counter Cards in glass display cases, on bookshelves, register counters and tabletops. With several sizes to choose from and the option of lightweight Foamcore or durable PVC, Counter Cards fit a variety of applications. They come with white chipboard easel backs and are recommended for indoor use.

- Our 3mm (1/8") PVC material is a smooth, bright white rigid plastic that is lightweight, yet very durable and weather resistant
- 3/16 Rigid Foamcore is not waterproof
- 5" Double Wing Easel Backs are composed of white chipboard material and applied to the printed material
- Shipped flat
- Final assembly required
- Run Sizes range from 1 to 50
