

ENDURACE

Ideal for
Business Cards Flat Menus Insurance Cards

Make Impressions that Last!

Give your customers a synthetic stock that can outlast ordinary paper with the highly durable EndurACE. EndurACE is composed of materials that make it waterproof and ultra resilient, giving it the durability to last for many years. Our EndurACE is an excellent choice for Flyers, Door Hangers, Postcards, and Business Cards. With our EndurACE stock, you can make a positive

impression from the moment you hand someone your business card. EndurACE is a 10pt thick stock which has the feel and body of our 100lb paper stock.

- Water and tear resistant
- Extremely Durable
- Available on popular products and variety of sizes
