

Feel the difference with

Suede Cards

- 19pt Thick Business Cards, Postcards, Announcement Cards, and Greeting Cards
- Round Corners on select Business Card & Postcard Products
- Scuff and water resistant
- Luxurious, Suede-like texture
- Various run sizes available

Suede Cards offer the perfect way for your customers to bring a hint of luxury to their brand and stand out from the competition. Soft to the touch, the durable and scuff resistant velvet laminate protects and enhances prints while allowing a vivid color clarity that exceeds that of any other velvet laminate. Ideal for customers who offer high-end, luxury products and services, or simply for those who want to look high-end without spending a fortune on specialty print products.
