

Table Runners!

Outrun the Competition with Table Runners!

Suggested uses:

Trade Shows

Special Events

Registration Tables

Table Runners add a finished, professional look to table displays, trade show booths or special event tables. Our 100% polyester, wrinkle resistant Table Runners are printed using a superior quality dye sublimation process for vibrant colors and incredible softness. They're designed to drape vertically across the center of the table, from front to back. Print logos, taglines and more so tables stand out.

- Wrinkle resistant.
- Vivid color reproductions.
- Meets all standards for flame resistance.
- Product is stable under normal conditions.
- Avoid exposure to strong oxidizers, bases, and acids.
- Avoid exposure to open flames and exceedingly high temperatures.
