## Turn Windows into One-way Messaging Tools!

We offer three distinct types of Window Graphics: **See-Through Window Vinyl**, **See-Through Window Vinyl with Laminate**, **White and Clear Window Clings**.

**See-Through Window Vinyl:** This 6mil white flexible vinyl with a removable clear adhesive backing is the ideal way to transform windows into one-way messaging tools. The perforated vinyl is designed for you to see out your window while outsiders can clearly view your message. This way you can always keep an eye on your customers! The perforated window film is designed for the production of see-through window graphics and is recommended for use on flat vehicle windows or retail store windows.

**See-Through Window Vinyl with Laminate:** This 6mil white flexible vinyl (front) with 2mil of optically clear laminate is a perforated window film designed for the production of see-through window graphics. Also recommended for use on flat vehicle windows or retail store windows.

**Window Cling:** Window Clings are near photo quality and ideal for POP signage on glass or glass-like smooth clean surfaces. They are printed on a glossy material and can be used both indoors and outdoors. White Window Clings will only cling on the back side of the print, and Clear Window Clings will only cling on the front side of the print.

- Great for both indoor and outdoor use
